

**HOUSING FINANCE AUTHORITY OF  
PALM BEACH COUNTY, FLORIDA  
POLICIES, PROCEDURES AND PROCESS  
FOR LOAN APPLICATIONS USING SURPLUS FUNDS**

**I. INTRODUCTION**

The Housing Finance Authority of Palm Beach County (the “Authority”) is authorized under the Housing Finance Authority Law encoded in Part IV, Chapter 159, Florida Statutes (the “Act”) to use its surplus funds, if any, for certain purposes in furtherance of the intent of the Act. The Authority will consider providing financing for those projects that meet the goals of the Authority and comply with applicable state and local law.

The Authority has adopted the following guidelines to set forth the general requirements and procedures which apply to the financing of eligible projects (the “Guidelines”). The Authority may elect to provide financing for any project only if the party requesting such financing (the “Applicant”) has satisfied the general requirements set forth in these Guidelines, provided, however, that the Authority may, in its sole discretion, waive specific provisions of these Guidelines where good cause is shown. The Authority may amend these policies to be consistent with any changes in the Act or other applicable law, without further approval from the Board of County Commissioners of Palm Beach County. In addition, these Guidelines may be amended, revised, repealed or otherwise altered by the Authority, at any time, with or without notice, at any regular or special meeting of the Authority. The Authority reserves the right to impose additional requirements with respect to any particular project. **Compliance with these Guidelines by an Applicant does not create any right by an Applicant to a commitment or any assurance that the Authority can or will provide the requested financing.**

**II. POLICY**

In accordance with the Act, it is the policy of the Authority to make loans of surplus funds:

- A. To:
- (i) Lending institutions (as defined in Section 159.603(5), Florida Statutes). (Section 159.608(5), Florida Statutes)

- (i) *With respect to lending institutions:* making new mortgage loans (to for-profit or not-for-profit developers) for the acquisition, construction, reconstruction or rehabilitation of “qualifying housing developments” (which include improvements, buildings and other real and personal property designed or intended for the primary purpose of providing safe, decent and sanitary residential rental housing for four or more families, at least 60% of which occupants are (a) elderly (65 or older) and/or (b) have incomes that do not exceed 150% of the median income for Palm Beach County).  
(Sections 159.603(6) & 159.608(5), Florida Statutes)
- (ii) *With respect to low income persons or families:* to finance the purchase, construction or rehabilitation of, or to refinance, single-family residences; provided that (a) the purchase price of such residence does not exceed 90% of the median sales price for single-family residences in Palm Beach County and (b) the loan be secured by a first or subordinate mortgage made to the Authority.  
(Section 159.608(8), Florida Statutes)
- (iii) *With respect to not-for-profit and for-profit corporations:* for the development of affordable housing.  
(Sections 159.608(3) & (10), Florida Statutes)

The borrower cannot subsequently loan the proceeds to another party for the development of affordable housing. A joint venture comprised of a combination of not-for-profit entities and for-profit entities is eligible for a loan of surplus funds for the development of affordable housing.
